October 2021

Dear Parent or Guardian

Year 10 Parent Information Evening

You are invited to attend our Year 10 Parent Information Evening on Tuesday 19th October 2021 from 6.30pm to 7.30pm in Oak Hall. We are pleased to return to 'in person' information evenings of this nature this year but will ensure that the resources are available on the school website for those who do not wish to attend in person. The intention of this evening is to provide you with valuable information about the journey your child is following in Year 10. During the evening we will cover:

- Information relating to assessments
- Key information about supporting your child in the core subject areas of English, Maths, Science and MFL
- Revision and further academic support

This information will also be shared with students in lessons or during tutor time.

Over the course of the year, we will continue to keep students informed of important dates. Previous feedback has indicated that parents would like to attend an evening such as this in order to be able to fully support their child. There will also be a similar information evening held at the beginning of year 11. **Please note that this is a parent information evening and that students should not attend.**

The session will start promptly at 6.30 pm. If you would like to attend, please complete the attached MS Form [here](#) by 9am on Monday 18th October. If you would like to post a question in advance, there is space to do this on the form.

Thank you in advance of your support.

Yours sincerely

Mr W Davison
College Leader
