Dear Parents/Carers,

Re: Hot Weather Guidance – further arrangements

I am writing to provide a further update following our recent communications regarding the exceptionally high temperatures this week.

Following a thorough review of our site, including individual buildings and classrooms, we are confident that the measures we have in place enable us to keep students safe and the school fully open, and therefore school will operate as normal tomorrow.

What remains in place

All measures outlined in previous communications remain in place, including:

- Students wearing PE kit
- Access to shaded and cooler indoor spaces
- Adaptations to teaching in warmer rooms
- Continued staff monitoring of student wellbeing

We are very grateful for your support in reinforcing these expectations.

Key updates

Hydration reminder

We are beginning to run low on disposable plastic cups in school. It is therefore essential that all students bring at least two refillable water bottles each day and ensure these are filled before arriving at school.

Warwick Castle trip (Wednesday)

Due to the extreme heat, we have taken the decision to **cancel the Warwick Castle trip** scheduled for tomorrow. We hope to rearrange this visit at a later date. Parents of affected students have been contacted directly.

Clubs and enrichment

All after-school clubs and CCF **will be cancelled for the remainder of the week** to reduce additional physical exertion and ensure student safety.

School concert (Wednesday)

We have also taken the decision to **postpone the ensembles and soloist concert planned for tomorrow evening**.

This reflects both:

- The additional physical effort required to perform in high temperatures

- The risks associated with bringing large numbers of people together in the current conditions

We are pleased to confirm that the concert has been **rescheduled for Wednesday 8th July 2026 at 7:00pm**. All purchased tickets will be able to be used for this new date (and there is plenty of time to purchase a ticket if you didn't manage to!)

Year 13 Prom (Thursday)

The Year 13 Prom will **go ahead as planned on Thursday**.

We have worked closely with the venue to confirm appropriate safety measures, including air conditioning, and we are confident that students can enjoy this important event safely.

Year 8 Parents' Evening (Thursday)

The Year 8 online parents' evening **will continue as planned**.

To ensure staff have a sufficient break between the end of the school day and the evening session, **school will close early at 2:45pm on Thursday**.

Students who travel by bus will be supervised in Oak Hall until their buses arrive.

Sixth Form – reminder to bring lanyards

With the sixth form wearing more relaxed dress for the weather, many of them forgot to bring their lanyards this morning. Please can you remind them to wear their lanyards at all times as this is an important safeguarding measure.

Thank you

We appreciate your continued support as we respond to these challenging conditions. Our priority remains the safety and wellbeing of all students and staff, and we will continue to review arrangements as necessary.

Please ensure your child comes to school prepared, particularly with adequate hydration, and remind them to speak to a member of staff if they feel unwell at any point.

Thank you, as always for your support.

Yours sincerely

Mrs C Smith
Principal
