

## TGA PTA Quiz March 2016

“Very successful” and “brilliant fun” was the overwhelming response after the PTA’s quiz on Friday 4<sup>th</sup> March. The event was a bargain at £6 which included a generous portion of fish and chips from a local business, and there was a very reasonably priced and well stocked bar. A raffle including prosecco, chocolates and free gym memberships added to the total raised. Prizes included team name (*The Beverley Hill Pillies* – families Hill and Pilly worked that one out!), and the overall highest score was achieved by the members of team *Call of Duty Quiz Warfare* (they were unstoppable). Congratulations and thanks to all involved and supporters. We raised over £400. This will be added to PTA funds raised previously and very soon a new practice piano for the music department, 8 new cameras for photography work and some PE crash mats will be purchased.
