

TGAS PTA Quiz March 2018

The PTA's March 2018 Quiz was a resounding success, attended by over 100 parents, friends, students and staff. We were delighted to be joined this time by several highly competitive teams of teachers, admin support staff and catering staff, whose general knowledge was formidable even late into the evening when we had eaten a fish and chip feast and finished off all the prosecco! After 5 rounds of challenging questions on Egyptian culture, green things, waterworks, royalty and hair (yes really) we found ourselves with no less than 6 teams within 5 points of each other, and a second nail-biting tie-breaker had to be set by an independent judge after Mr Orr managed to recall all the school's values off by heart before his rival was able to even speak. Most impressive! Eventually, the winners by a whisker were Quizzee Rascal, narrowly pipping the Woodruffs to the post. Burnt Offering and Debbie Sullivan Had a Better Offer also won prizes for good effort and best team name respectively. A record breaking £800 was raised, to be spent very soon on resources that will benefit as many students as possible.

Many thanks to all who supported this event.
