

PTA BINGO NIGHT

16th November 2018

All eyes were down once again at the PTA Bingo night on 16th November and 7 games were played. First line won an exciting mystery prize and the first house per game won recipients a hamper of their choice worth over £25. In a nailbiting process, the popular ladies from the Academy office bagged a prize and hamper each!

A huge **thank you** to all who supported the event especially members of the school sixth form executive committee and PTA helpers who together raised £360, to be spent as ever on resources to benefit the school and students.
