

The 2019 Year 7 Disco was a roaring success, with a new DJ and featuring a new attraction: festival glitter and tattoos (not real!). Dancers got their nails done at the nail bar, feasted on Krispy Kreme donuts, popcorn, crisps, sweets and soft drinks, and then had their pictures taken at the disco professional photo booth. As if that was not enough to tempt anyone with a sweet tooth (if they had any left), Raffle prizes also involved chocolate and confectionary. The event raised £543, which for the first time will be match funded, and we are grateful to Charlotte Payne and DHL for their generosity. If you work for an organisation that might match fund future events, please let us know! It means we can provide double the donation to TGAS to resource books, equipment and activities that might otherwise not be possible. The selection of photos below were taken at the photo booth, and you might notice the evidence of blue “Brainlickers” (sic) in some images! Powerful stuff. We don’t know what it contains, but we are assured it is safe! Thanks to all who supported this event, particularly admin and site staff, Mr Wright and Ms Vanson.
