19<sup>th</sup> August 2020

Dear Student and their Parent / Carer,

**Final update prior to GCSE Results Day for external applicants**

I am writing to you with the final update prior to GCSE results day tomorrow (Thursday 20<sup>th</sup> August 2020).

I am sure you have been keeping up to date with the ever changing announcements from OFQUAL and the Government. In this letter I want to give some clarity about enrolment into TGAS sixth form.

**Enrolment into sixth form**

We had already made the decision to use Centre Assessed Grades for sixth form entry requirements. We will now use the **final awarded grades awarded on the results slip** to determine entry requirements. We now know that the final awarded grade will be the higher grade of either the Centre Assessed Grade (CAG) submitted by your school or the calculated grade generated by the examination board.

If you have met our entry criteria and would like to enrol with us then please complete the MS Form that can be found [here](#). This survey will not be live until 8.00am on Thursday 20<sup>th</sup> August and will remain open until 2.00pm on the same day. Please note the earlier closing time, as this is a change from my previous communication.

If you have met the criteria and indicated that you want to enrol (using the MS form) then the next step will be for you to attend the school site in person between 2.00pm and 4.00pm. This is necessary as we now need to take copies of your results slip. Please bring evidence of your home address when you attend the site (this could be in the form of a household bill, driving licence or similar document).

Once we have processed all external applicants who have met the entry criteria, we will then make contact to advise whether we are able to offer you a place, subject to our admissions and over subscription criteria which can be found [here](#). We will make every effort to do this on the evening on Thursday 20<sup>th</sup> August 2020.

We wish you the best of luck with your results tomorrow.

Yours sincerely

Mrs L Sweetman  
Director of Sixth Form
