

PTA Musical Bingo March 2021

Following the success of our first Musical Bingo evening run in October 2020, the PTA ran another Bingo session on March 5th in which over 50 contestants competed to win a line or full house. Line winners won chocolate (always popular) and the main prize was a large family snack pack of wine, lemonade, popcorn, biscuits, crisps and more – perfect for a night in front of the TV after the homework is done! There were a further 3 lucky winners of the top prizes: £50 gift vouchers generously donated by the fabulous and highly recommended Fiesta del Asado restaurant in Shirley which will reopen soon. Thank you to all who supported and participated in this event – we raised over £400. A night of fun that will provide important facilities for our children at school.

Thanks also to Shaun Ellis of KOTC Entertainment for his excellent bingo and commentary, great music and superb organisation (details available on request to the PTA).

Here are some of our delighted winners with their prizes as they were delivered – you can tell they have just spotted the Jaffa Cakes!
