

## PTA Quiz October 2021

Krispy Kreme donuts were hotly contested by 8 mixed teams at the PTA's quiz in October 2021. It quickly became clear that the young people in the room knew at least as much as their parents! Team Hopkins, Shrek 4, The A Team, Definitely Not Sus, Top of the Hill and Crash and Burn provided stiff competition, but in the end the event was won by Team Sardia the Tooth Fairy. Team We Like Trucking and Hedgehog Crisps, assisted by a massive injection of points after an unusually generous round of Play Your Cards Right, were awarded the prize for best team name. Shrek 4 won a chocolate prize for their efforts, so they were also delighted to score the least overall. The event was generously sponsored by Papa John's Pizza and they were really delicious – highly recommended and massively appreciated.

Including the match funding provided via EY, the employer of one of our committee members, the event raised over £900 for the school.

Thank you to all you supported this event. As ever, the money will be spent very soon on items for the school to benefit a range of subjects and year groups.
