

BINGO

Our first online PTA fundraiser ever on October 16th 2020 attracted support from over 80 families, of whom around 50 participated with gusto on the night, dancing and singing along on their sofas in Solihull living rooms during the five rounds of bingo based on music, numbers and online banter. Prizes of chocolate, wine and tasty treats for a line and a full house were won by 12 different people, including the first family to have purchased a ticket for the event! We were delighted to raise just over £700 for the school and it was so much fun that we are planning a similar event in the Spring, so there's another chance for you to get involved.

Thank you to everyone who generously supported us, and of course to King of the Castle Entertainment for running the event so professionally. Our generous sponsors of prizes included Marks and Spencer, the Co-op, Carluccios and The Sweet Fairy who kindly gave us a beautiful Halloween gift box: thank you again to them all.

And just to show there are real people and delicious food is always involved, here is the lovely Mrs Stimson with her top Sweet Fairy prize! Don't eat them all at once...
