

The PTA Winter Raffle 2021 is now complete.

It raised a total of £1668.64 for our children and the school community which is great news!

The December 2021 PTA Raffle was launched in mid-November and by the date of the draw, which was filmed taking place live online by automated number generator, it had raised £1668.64. We are very grateful for the generosity of local businesses and kind parents who donated all 18 of our great prizes.

The money raised will be used to fund items and equipment for the school community so all will benefit from the monies raised.
