Leaving comments for your teachers

The comments feature allows students to communicate with their teachers through Satchel One. Your teacher will be able to see the comments you leave for them and your teacher will be able to leave comments for you.

Full instructions can be found via Support / Visit our Help Centre

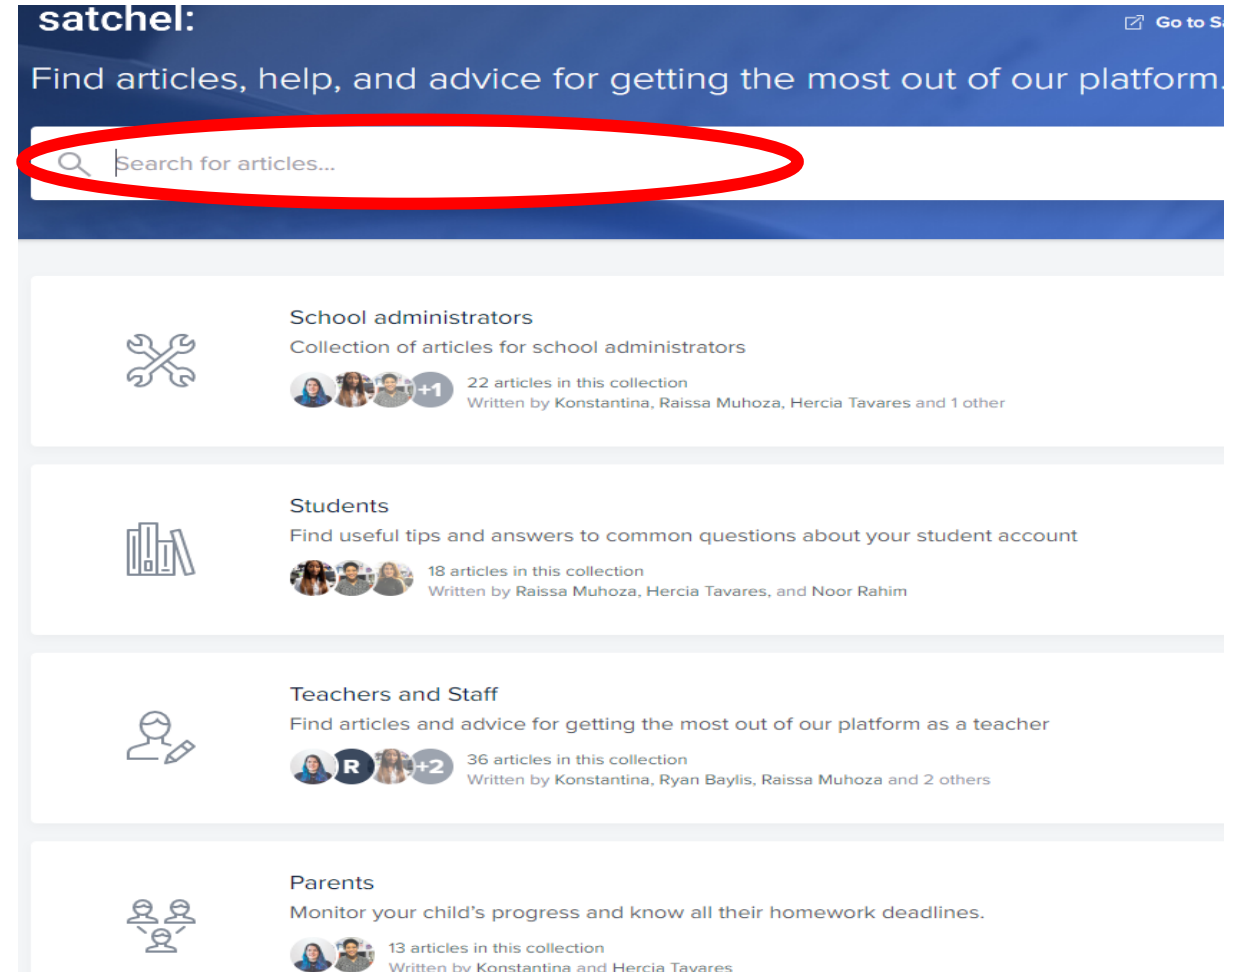

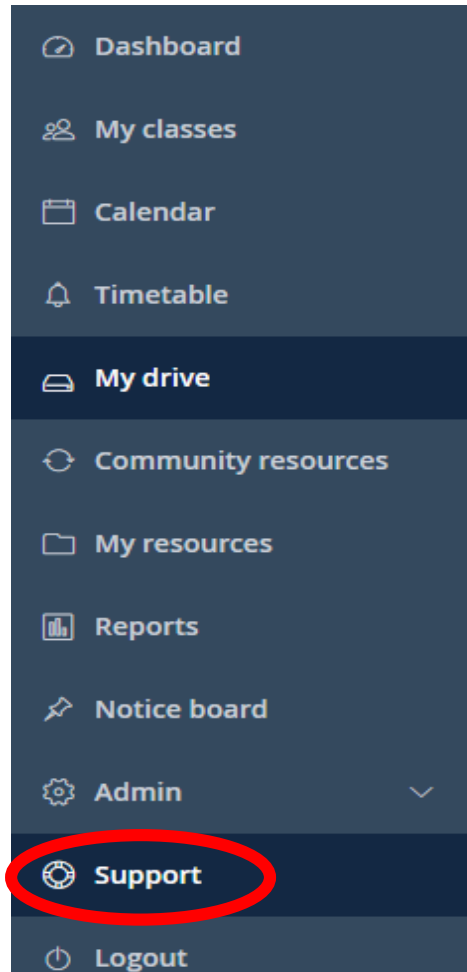

<https://help.teamsatchel.com/en/articles/2911863-leaving-comments-for-your-teachers>

Select the homework that you would like to comment on from your calendar or To-do list then click on the Results tab. You will then see a text box where you can post a comment to your teacher and they can reply back. You can also leave a comment for your teacher on your Show My Homework app by tapping the text box at the bottom of the homework description screen.

The screenshot displays the Satchel One interface for a homework assignment. At the top, there is a search bar labeled "Search for homework" and a language selector set to "EN". Below this, the assignment is identified as an "8 mark question" with the code "11T-HIS2". A breadcrumb trail shows the user's location: "Home / 8 mark question / Results". The interface has two tabs: "Description" and "Results", with the "Results" tab highlighted by a red circle. An "Actions" dropdown menu is visible in the top right. The main content area is titled "Class submission" and contains a "Grade" section with a dash "-" and a message: "Have you turned in your homework yet? Once you do, your teacher will share feedback for you here." To the right of the grade information is a comment box with the prompt "Enter your comment below", a text input field, a character count "0 / 1000", and a green "Post comment" button.

Satchel Help Centre for all queries

Select Support from the menu on the left then Visit our Help Centre. You can then type your query eg. 'quiz', 'upload document' and it will bring up all articles relating to your search
