

DISCRETIONARY TASKS – GEOGRAPHY

Please find below additional distance learning tasks. These are optional extension tasks if students have completed work set on ShowMyHomework.

For All Years

- <https://www.thenational.academy/online-classroom> - lots of online lessons available here
- BBC bitesize KS3 and KS4 – lots of videos clips available here too
- <https://www.bbc.co.uk/iplayer/group/p089nk5f> - watch this space for Geography lessons from David Attenborough!
- <https://www.gapminder.org/> - a fun and insightful way to explore global statistics and development
- <https://www.3dgeography.co.uk/geography-topic> - fun and creative geography projects to make on here
- <https://www.nationalgeographic.com/> - a wealth of wider reading available. Search for topics you are studying or topics that interest you

KS3

- <https://www.bbc.co.uk/programmes/p04tjbtx> - Blue planet on iPlayer to support your learning for this topic

KS4

- <http://www.coolgeography.co.uk> – a great way to consolidate learning
- <https://www.bbc.co.uk/bitesize/examspecs/zy3ptyc> - the AQA section on BBC Bitesize is clear and perfect for creating flashcards or revision resources
- <https://geoawesomeness.com/top-20-inspiring-ted-videos-maps-geography/> - TED talks are a fantastic way to 'read around a subject' without reading! Here are some TED talks relevant to geography. You may remember Hans Rosling from your Geography lessons.
