

DISCRETIONARY TASKS - SCIENCE

Please find below additional distance learning tasks. These are optional extension tasks if students have completed work set on ShowMyHomework.

Years 7 and 8

Students have access to this padlet: <https://padlet.com/TubblyChemistry/KS3Science>

password: bunsenburner2019

This has additional questions, help sheets and knowledge organisers.

Students will also be set additional work on Seneca that they can choose to complete if they wish. Each child will have their class code shared with them directly on ShowMyHomework. Students will need to create a log in if they have not already done so – it is completely free. Please ensure students write down the email and password for their account – staff have no way to access student accounts to help with log in details if a student forgets their credentials.

Years 9 and 11

Students have access to the padlets below:

Biology - <https://padlet.com/dallison6/g5f3k590scut>

Chemistry - <https://padlet.com/LoveChemTGAS/GCSEchem>

Physics - <https://padlet.com/cpriestleyphysics/GCSEAQA>

Each has additional questions, help sheets and knowledge organisers.

Students will also be set additional work on Seneca that they can choose to complete if they wish. Each child will have their class code shared with them directly on ShowMyHomework. Students will need to create a log in if they have not already done so – it is completely free. Please ensure students write down the email and password for their account – staff have no way to access student accounts to help with log in details if a student forgets their credentials.

Year 12

Students have access to the websites below:

Biology - <https://padlet.com/dallison6/vxwagjqshw3>

Chemistry - <https://padlet.com/LoveChemTGAS/ASchemistry>

Physics - <https://padlet.com/cpriestleyphysics/Year12Physics>

Each has additional questions, help sheets and knowledge organisers. Students will also be set additional work on Seneca that they can choose to complete if they wish. Each child will have their class code shared with them directly on ShowMyHomework. Students will need to create a log in if they have not already done so – it is completely free. Please ensure students write down the email and password for their account – staff have no way to access student accounts to help with log in details if a student forgets their credentials.

Year 13

Students have access to the websites below:

Biology - <https://padlet.com/dallison6/vxwagjqshw3>

Chemistry - <https://padlet.com/LoveChemTGAS/A2chemistry>

Physics - <https://padlet.com/cpriestleyphysics/justdoit>

Each has additional questions, help sheets and knowledge organisers. Students will also be set additional work on Seneca that they can choose to complete if they wish. Each child will have their class code shared with them directly on ShowMyHomework. Students will need to create a log in if they have not already done so – it is completely free. Please ensure students write down the email and password for their account – staff have no way to access student accounts to help with log in details if a student forgets their credentials.
