Art

Fantastical Creatures

Year 8 Autumn Half Term 2

This term we will be focusing on creating a 3D sculpture using clay. You will follow the process they use in industry whereby you start with a design and transform it into something 3D and lifelike. You will have the chance to build on your clay skills you developed in year 7 and create something more ambitious.

TUDOR HABITS:

You will be open to failure when using new skills and materials such as clay and focusing on the process not the product when using these skills.

VOCABULARY: 3D, Clay, Scoring, Slip, Pinch Pot Technique, Surface Texture, Design, Transform, Create, Construct
