

LEARNING JOURNEY

Music

Controversy in Music

The musical world is a diverse and expansive place! This means that quite often, people hold different views on music and musicians. This can lead to **controversy!** Two styles of music that were beset by controversy in the 20th century were Blues and Reggae: styles of popular music created by Black musicians. We will be learning about the origins of these styles, as well as the impact that they have had on the world.

TUDOR HABITS
 You will develop your positive self regulation through regular practice and prepare to overcome failure with powerful metacognitive strategies.
