

LEARNING JOURNEY

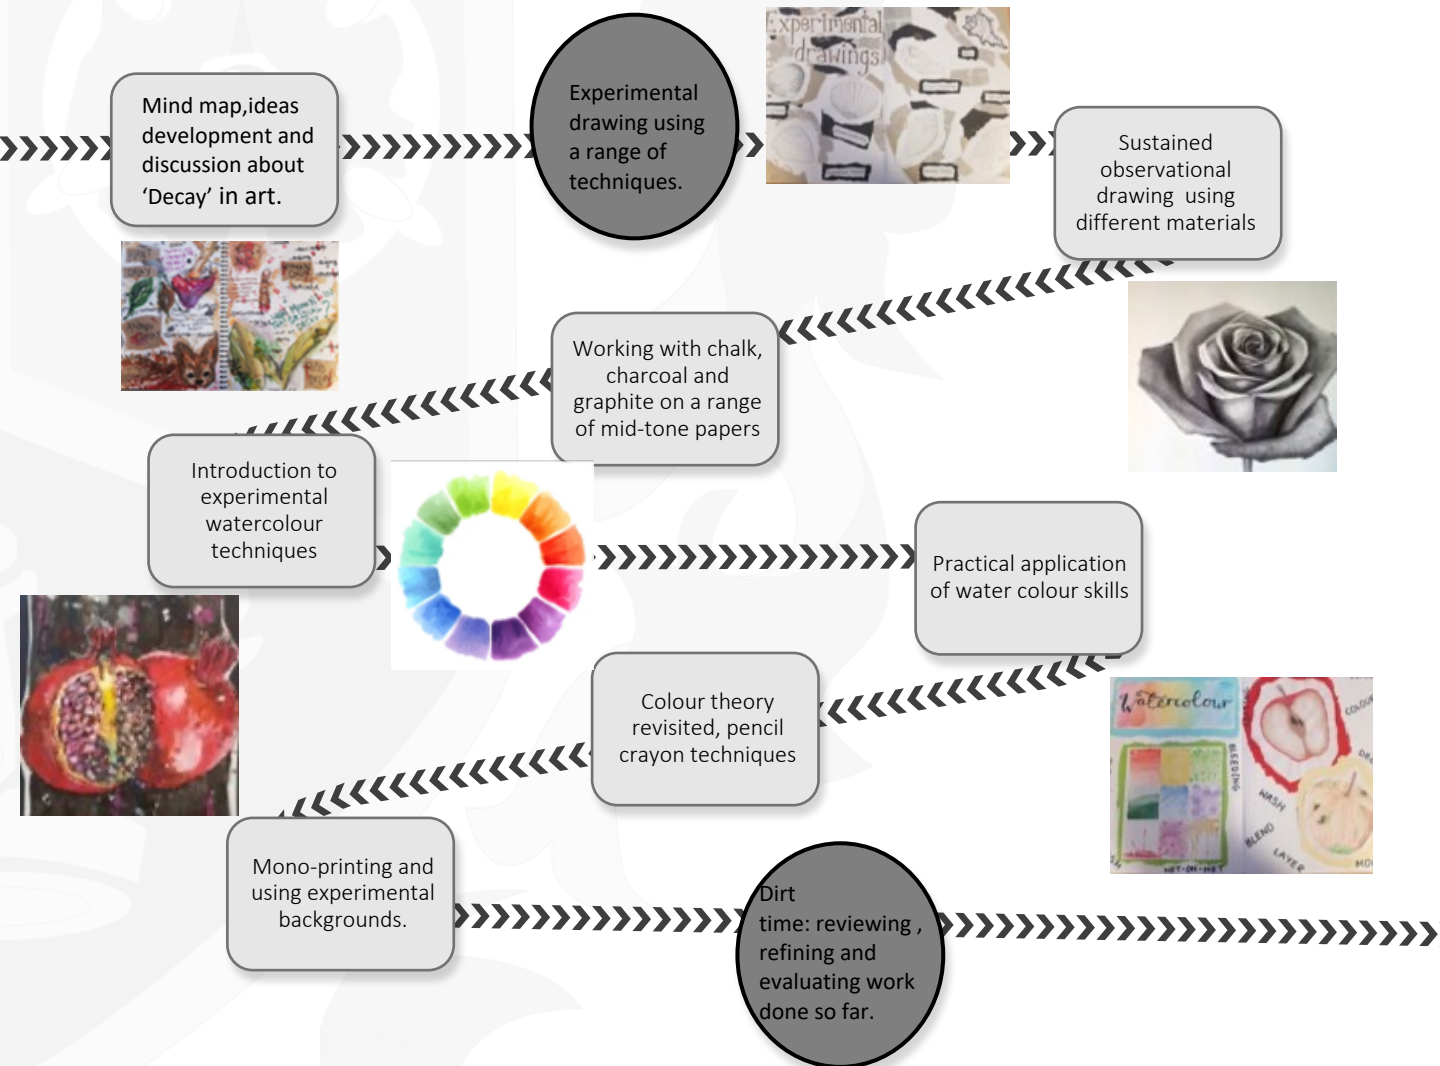

Art

Introduction to 'Decay'

Year 9 Summer Half Term 1

This term we will be consolidating key skills using the theme 'Decay'. We will begin with exploring a range of experimental drawing, painting and mark-making techniques. We will be using different graded pencils, pens, chalk, pencil crayons and water colour paint to build confidence in drawing and painting as well as facilitating self-expression through art making. These skills will be linked to a variety of contemporary artists in a range of different careers within the art industries, taking our knowledge of art, design and visual language beyond the classroom and into the world of work.

TUDOR HABITS: TUDOR HABITS: You will demonstrate courage and grit through practising new skills and taking risks with materials by using them in ways you may not previously have tried.

VOCABULARY

Drawing from observation, continuous line drawing, chalk, charcoal, mid tone paper, graphite, watercolour, blending, complementary and harmonious colour.
