

LEARNING JOURNEY FRENCH

Ma famille et mes amis (Me, my family and friends)

Year 10 Autumn Term 1

This is the third time we will cover the family and friends topic. In year 7, we learnt to give basic details of family members and physical descriptions. Then in year 8 we progressed to using reflexive verbs to describe relationships. Now we are further developing our ability to narrate different types of rapport, as well as use all three tenses to describe past, present and future relationships. You will have the opportunity to put into practice many of the grammatical structures covered in year 9 i.e. modal verbs, comparatives and use of justified opinions to add detail to your ideas about relationships.

TUDOR HABITS: As we discuss personal points of view on a topic which requires maturity, you will need to demonstrate kindness and empathy as we engage with alternative viewpoints. It will be important to show tolerance towards the range of ideas in the class.
