GOLDEN
THREAD
QUESTION

In this unit you will be given time to familiarise yourself with the school network. It will also allow your teacher to discuss appropriate use of the school network, and to update and remind learners of important online safety issues. Whilst completing this unit, learners will also learn how to use presentation software effectively. In terms of online safety, this unit focuses on respecting others online, spotting strangers, and the effects of cyberbullying.

TUDOR HABITS

You will develop an understanding of what respect means in the context of online communication.
