

LEARNING JOURNEY SPANISH

Mi mundo (my world)

Year 7 Autumn Term 1

During primary school you might have acquired some basic knowledge in a foreign language. Even if this is different to the language that you are studying now, this is a foundation for understanding patterns in language and different grammatical structures. By learning a new language you will develop new skills such as communication and listening skills. Moreover, this will help you to gain a better understanding of your own native language. During this half term you will learn to introduce yourself in Spanish and to use the alphabet. This will help you understand the Spanish sounds and how to read the language accurately. You will also describe yourself and your pets which will help you understand and apply a key grammatical point of the language which is adjectival agreement.

TUDOR HABITS: As you start learning a new language you will need to be courageous since you are going to encounter different learning activities and you will get to learn about different cultures.
