

LEARNING JOURNEY SPANISH

Tiempo libre (free time)

Year 9 Autumn Term 1

In Year 7 and 8 we have covered the present, future and preterite tenses, as well as opinions. In year 9, you are going to reinforce and improve your knowledge of these grammatical points. The topic of free time will allow you to revisit the basics of the most common tenses used in Spanish while also acquiring new vocabulary. You will learn a greater range of opinion phrases that will enable you to be more specific when writing and speaking.

TUDOR HABITS: As we revisit grammatical structures you need to be open to failure and feedback. This half term is an opportunity to revisit, refine and improve your tenses.

VOCABULARY:

present, preterite, near future
me mola, me chifla
