Greek Mythology Projects - Year 9

Year 9 have produced some terrific projects all based upon our work on Greek Myths and Poetry all inspired by Greek Myths. The standard of work produced was superb and below is a sample from Mrs Harley's classes. The artistic and creative brief given to the class was interpreted in a host of different ways- from beautiful water-colours, to using foil for dramatic effect and collages too! Well done Year 9!

PTA Messages

AGM

The TGAS PTA AGM will be held on Tuesday 18th October at 7pm in OG4 and all are welcome to attend. We are on the lookout for new members to join the PTA so if there are any parents who want to come along and find out more about what we do the AGM is the perfect opportunity

GreenShirts

The PTA are collecting all of the old green shirts that people still have that are no longer worn as part of the school uniform and we will cash these in to raise funds for the PTA to allow us to fund initiatives at the academy. If you have any green shirts you wish to donate please email pta@solihull.tgacademy.org.uk and we will be able to let you know where they can be dropped off. Thank you!

SAFEGUARDING - Many of us will unfortunately be aware of the high-profile safeguarding scandals associated with sport. It is for this reason that the NSPCC has teamed up with Sports England to produce this free short online course for parents (should take them around ten minutes to complete) to improve their vigilance and understanding. As we all know, parental engagement to safeguard children effectively is key, so this course may be one to signpost.
