

LEARNING JOURNEY

Music

AOS2: Ensembles

This term you will be learning about Jazz Music, through analysis, performance and composition. You will learn about the various techniques used in jazz music and learn about the process of composing jazz using stylistic devices. You will then learn about a jazz classic, 'Heart and Soul', analysing the score, learning to play it on your own instrument, and consolidating your knowledge by completing real past paper questions and marked essays.

TUDOR HABITS

You will demonstrate resilience by developing your score reading ability, show creativity and courage through the process of iterative composition.

VOCABULARY

Extended Chords, Swing, Improvisation, accidentals, head.
