

LEARNING JOURNEY

A Level PE

Sport & Society

Topic 3.1

WE ARE HERE

Hosting Global Sporting Events – Social and Economic

Hosting Global Sporting Events – Sport and Political

Hosting Global Sporting Events – Student bid

Revision

This half-term students will learn reasons on how hosting global sporting event will impact socially, economically, politically and on sport. This will build on prior knowledge on the Olympic events by describing reasons why they were politically exploited. This will link to future learning when students are taught about the impact of commercialisation on any global sporting event.

VOCABULARY

Shop window effect

Regeneration

Legacy

TUDOR HABITS AND VALUES

Responsibility and integrity – students would need to take ownership and take responsibility of their country to make a bid to host the global sporting event

Careers:

Students will be made aware of the temporary jobs that are associated when hosting a global sporting event.
