PSYCHOLOGY

## Forensic Psychology

Year 13 Spring term

You will develop your understanding of offender profiling, explanations and treatments of serial offenders and other types of crime. Widening your understanding of the fundamentals of crime makes holistic links to law, historic examples and helps us question, what makes a law-abiding citizen?

**TUDOR HABITS AND VALUES:** The justice system is one of the fundamental systems in our democracy within the UK. Understanding how it works to protect as well as it's potential problems with custodial sentencing is an essential question to live in our society.

**VOCABULARY:** Custodial, Nature, nurture, serial offender, profiling, innate, learnt, biases, morality, prison, recidivism.
