

# LEARNING JOURNEY SPANISH

Jóvenes de hoy, ciudadanos de mañana (Young people of today, citizens of tomorrow)

Year 13 Spring 1 term

In this topic you will explore the worries and dreams of young people in the Spanish speaking world. You will learn about different protests led by young people and the impact that these had. You will also analyse the reasons of high youth unemployment rates in Spain and how this leads to young people migrating to find better work and life conditions. You will also discuss what makes an ideal society for young people in the Spanish speaking world.

**TUDOR HABITS:** in this topic we will work on kindness and empathy as we learn that others around the world face different life conditions to ours.

**VOCABULARY:**  
el paro, manifestaciones, los 'nini', desempleo
