

LEARNING JOURNEY

Touch Rugby

F - A - C - T

This half term you will start off by developing your understanding of the basic rules of touch rugby.

This will progress onto the key fundamental skills of the game and how you can implement these into your play.

During the second half of this curriculum, you will learn attacking and defensive strategies to implement into the game and assessment.

What will you include in your warm-up today?

What is the why behind your lesson today?

VOCABULARY

Opposed, Composed, Eliminate, Resilience, Cohesion, Creativity.
