September 2022

Dear Parent or Carer

Year 11 Parent Information Evening

I hope everyone has enjoyed their summer break and their son / daughter is looking forward to the upcoming year as a Year 11 student.

You are invited to attend our Year 11 Parent Information Evening on Tuesday 20th September 2022 at 6.00pm in Oak Hall. The intention of this evening is to provide you with valuable information about the journey your child is following in Year 11. During the evening we will cover:

- important dates in the year (including exams and trial exam periods)
- key information about supporting your child in the core subject areas of English, Maths, Science and MFL
- revision and further academic support
- pastoral support in school and with examinations
- details of how we will guide students to make suitable choices for Post-16 education / training
- celebration events (including the Prom)

Students will have already had their first year group assembly, where much of this information will be shared with them. Over the course of the year, we will continue to keep students informed of important dates through these specific year group assemblies. Previous feedback has indicated that parents would like to attend an evening such as this so they are aware of the information their child has received and can support at home - we hope you will find this to be a useful event. **Please note that this is a parent information evening and that students should not attend. Also, we would encourage only one parent / carer to attend due to the capacity of the Hall.**

The session will start promptly at 6.00 pm. If you would like to attend, please complete the attached MS Form [here](#). If you would like to post a question in advance, there is space to do this on the form.

Thank you in advance of your support.

Yours sincerely

Mr A Wright
College Leader
