

LEARNING JOURNEY HISTORY

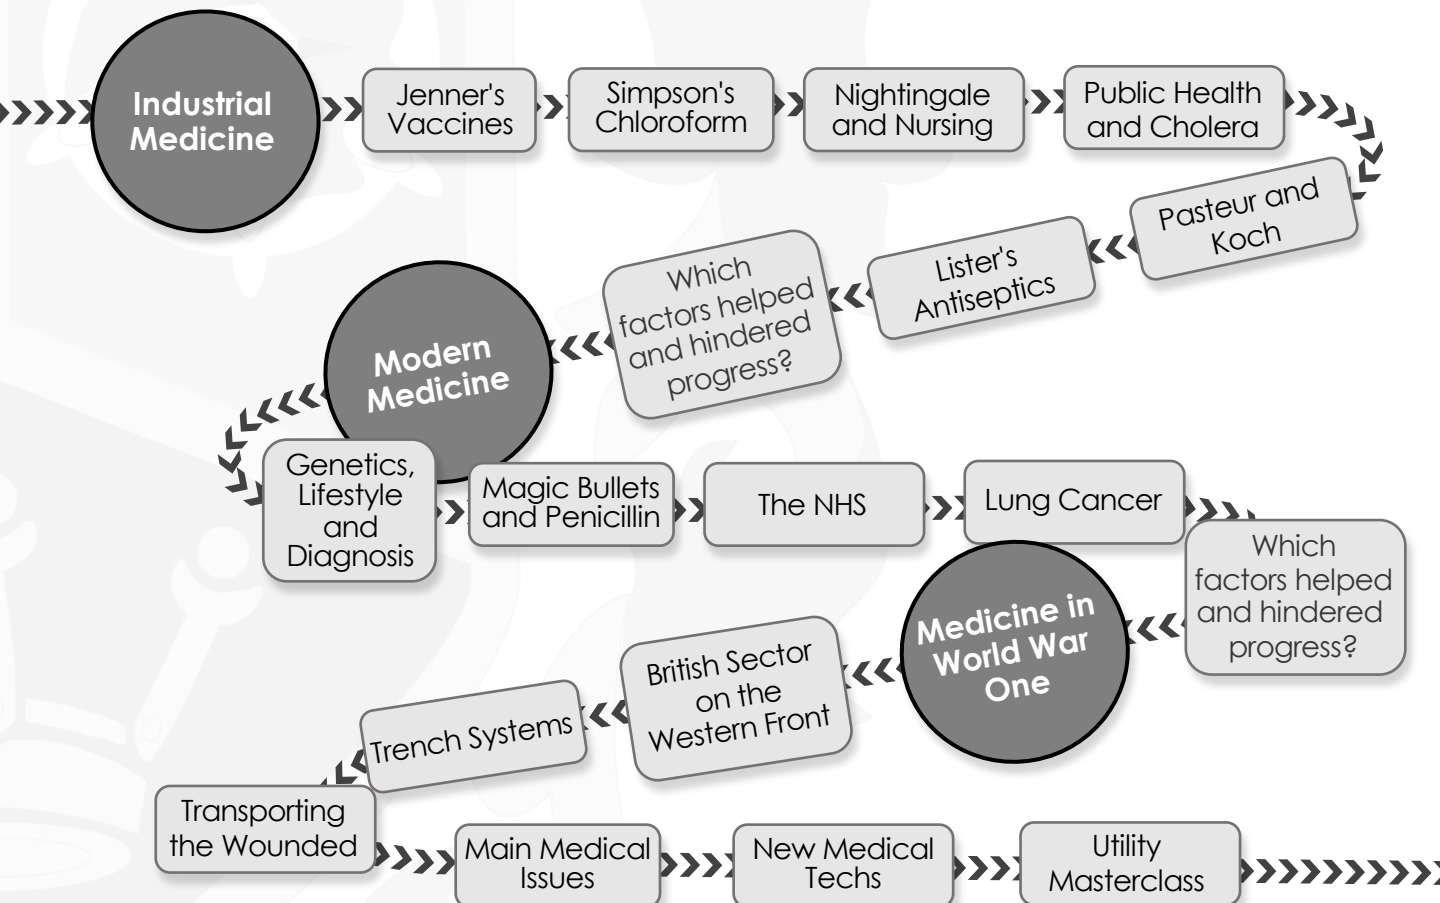

Summer Term

Medicine Through Time, C1250-Present (continued from Spring Term)

In your Medicine topic you will continue to develop the skills you've been practicing on your Elizabeth paper; **describing**, **explaining** and sustained **analysis** before reaching a substantiated **conclusion**. The difference here is that you will be making comparisons between the different time periods. We will look at the **Industrial** and **Modern** periods now, as well as how **World War One** helped Medicine to **develop**.

Due to the focus on analysis, there are excellent links here to a career in **law** and **journalism**, as well as the obvious links to a career in **medicine**.

TUDOR HABITS: You will develop your understanding of **tolerance** through your developing knowledge on others' ideas towards medicine in the past
