

Economics

Please complete one line from the task list below. All students must complete the middle task:

Create a mind map of the key differences between the 2017 budget and the 2016 budget	Interview 5 people on their opinions of choosing to leave the EU and produce a 300 word summary of your findings	Explain whether the use of products such as alcohol or fatty foods should be discouraged (e.g. taxed, age restrictions, etc.)
Produce a report of the main spending and earnings of the UK government in a financial year	In 300 words explain 'why people should be interested in the UK economy'	Produce a series of graphs showing changes in the UK's rates of unemployment, GDP, inflation and international trade over the past 50 years
Write a letter to Philip Hammond explaining why 'cuts in spending on the NHS can be both positive and negative to a country'	Interview 5 unemployed people and identify what they feel are the main barriers to finding employment in the UK	Produce a poster of the main products that the UK exports and imports
