

# LEARNING JOURNEY HISTORY

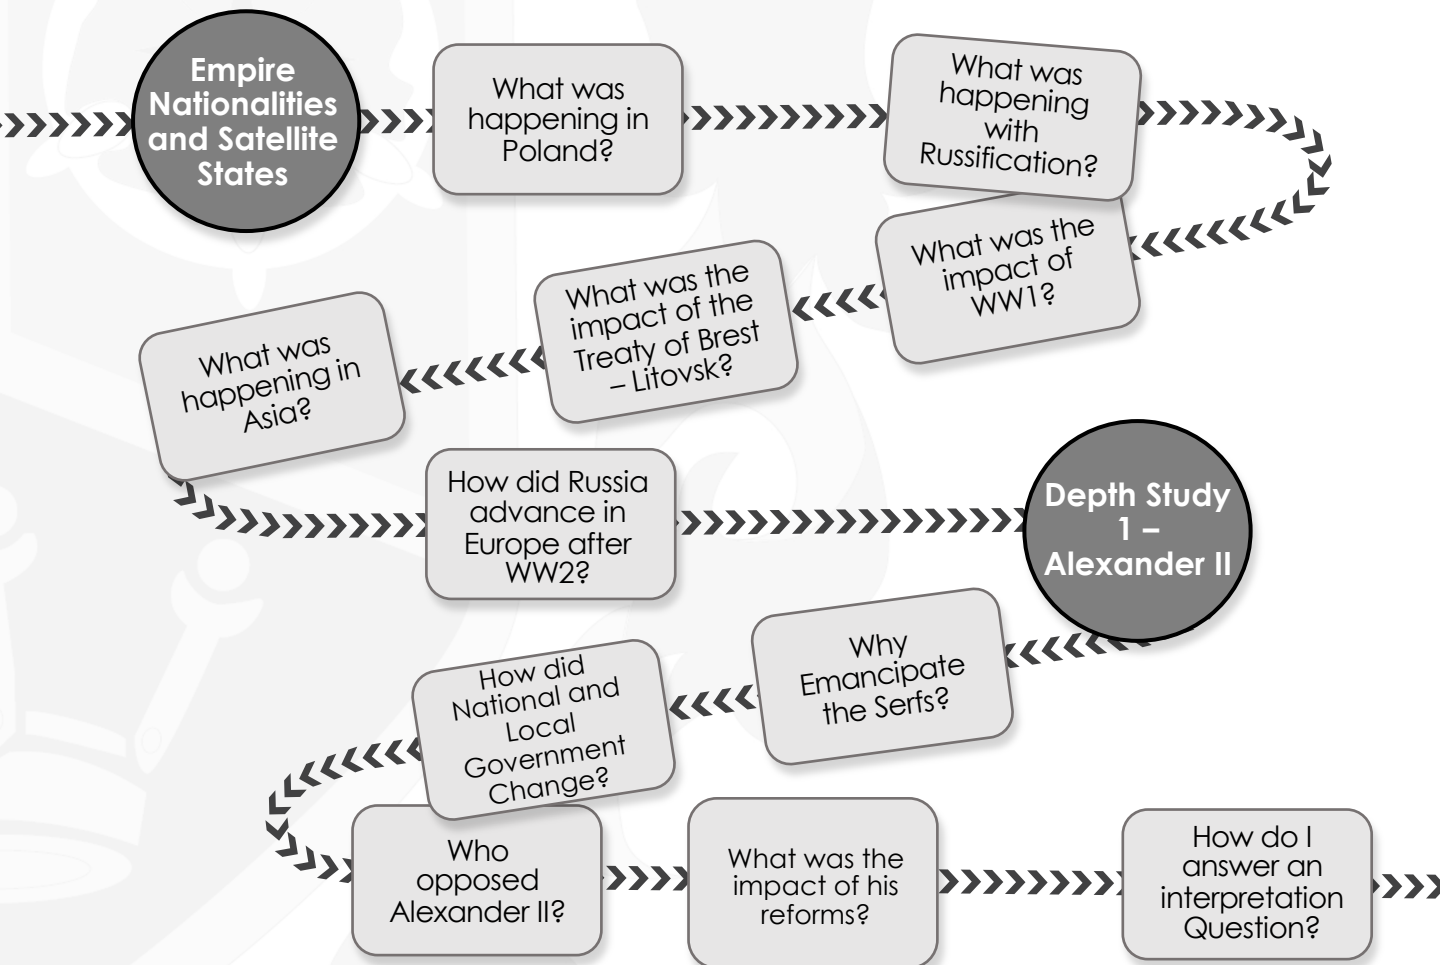

## Year 13 – Empire, Nationalities, and Depth Studies

### Autumn Term

You are going to learn our final key knowledge topic on Empire, Nationalities and Satellite States of the Russian Empire. This will be used to finalise all our knowledge in order to respond to any 25 mark question that could be posed to you on your A-Level exam in 2023.

You will also begin studying your first Depth Study, and learning how to comprehend, decode, and analyse complex interpretations on Alexander II. This will be in to learn how to respond to our second question type worth 30 marks in your exam.

**TUDOR HABITS:** You will continue to look at democracy through the lens of Russian society, and appreciate a society where tolerance for values differs and changes. We will look at the Emancipation of the Serfs to analyse genuine reform of values and meaningful change, and repression of democracy and free will through the communist dictators.

#### HISTORY VOCABULARY:

Communism, Satellite State, Russification, Minority

**SKILLS VOCABULARY:** Interpret, analyse, Historiography
