

## Spanish

Please complete one line from the task list below. All students must complete the middle task:

Create a map of the world which identifies the countries that speak Spanish. Annotate your map with at least 5 facts about each country.	Prepare a 1 minute presentation on an aspect of your summer holidays in Spanish.	Find a current news article from the Spanish press that interests you. Read it and produce a written summary in English.
Research the preterite & imperfect tenses. Complete online exercises at <u>www.languageslonline.or</u> <u>g.uk</u> to prove your enhanced understanding and produce a revision aid to demonstrate what you have learnt.	Write 300 words explaining your decision to study Spanish.	Produce a timeline which contains all of the Spanish tenses that you know. Your timeline should include examples and rules for formation of each tense.
Produce a detailed report in Spanish of a famous Spanish-speaking musician/band/politician/ artist/scientist/author/ director etc.	Watch an episode or an extract from a Hispanic TV programme on <u>www.rtve.es</u> Make notes on what you understand and new vocab you learn to share with the group.	Create a board game which could be used in class to revise the two different future tenses.
