

# LEARNING JOURNEY

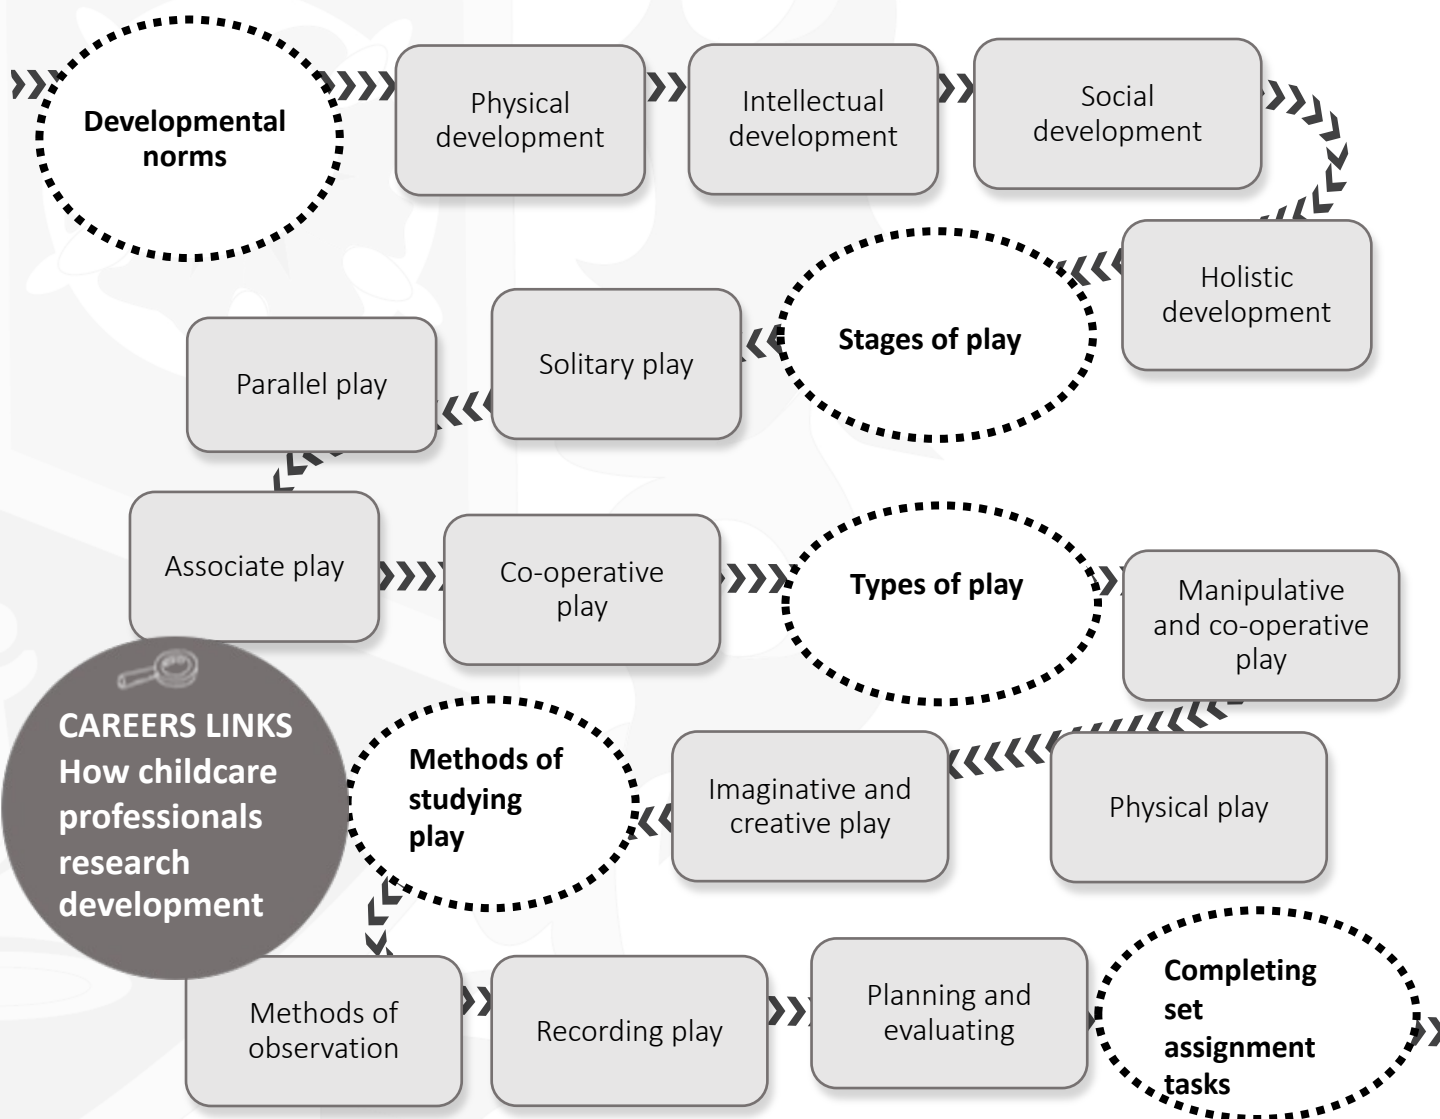

## Child Development

R059: Understand the development of a child from 1 to 5 years

### Year 11 Autumn 2 and Spring 1

In this topic you will develop an understanding of how children develop in the early pre-school years. You will learn about different types of play and how these meet the different needs of young children. You will also apply this knowledge to your study. This topic will develop your skills of evaluation and analysis as you look at strengths and weaknesses of your own work.

**TUDOR HABITS AND VALUES:** You will be working on your self regulation as you complete independent coursework. You will develop your grit and resilience to step out of your comfort zone and apply your own ideas to your learning.

**VOCABULARY** Holistic, Development, manipulative play, solitary play, co-operative play, associative play, parallel play, intellectual.
