

LEARNING JOURNEY FRANÇAIS

L'identité et les rapports (Identity and relationships)

Year 8 Spring Term 1

During Spring 1, you will draw on previous learning from Year 7 on giving opinions, extending this to learn how to give **opinions on others**, on **clothes** and on **free time activities**. You will enhance your knowledge from the year 7 topic of **family** as well as develop your understanding of different types of verbs, through describing **relationships** using **reflexive verbs**. You will recap the **near future tense 'l'** form to say what you are going to do next weekend. This will allow you to compare different activities and communicate this in the present, past and near future tenses.

TUDOR HABITS: as we discuss personal relationships and hobbies, you need to show **empathy** and have an **open mind** as other share their circumstances and experiences.
