## Ethics - Euthanasia

Year 10 Summer Term

This unit will you will investigate the issues surrounding ending life when someone is in extreme pain or suffering (euthanasia). We will look at the current law surrounding euthanasia and the arguments for and against it as well as an examination of the role of living wills. We will then look at countries where euthanasia is legal, including an investigation into the Dignitas clinic in Switzerland

**TUDOR HABITS AND VALUES:** You will be focussing on your empathy and open-mindedness in this unit as we will be studying emotive issues where you need to consider the views of others.

**VOCABULARY:** Euthanasia, Passive Euthanasia, Voluntary Euthanasia, Non-voluntary Euthanasia, Living Will, Dignitas
