

LEARNING JOURNEY

Physics

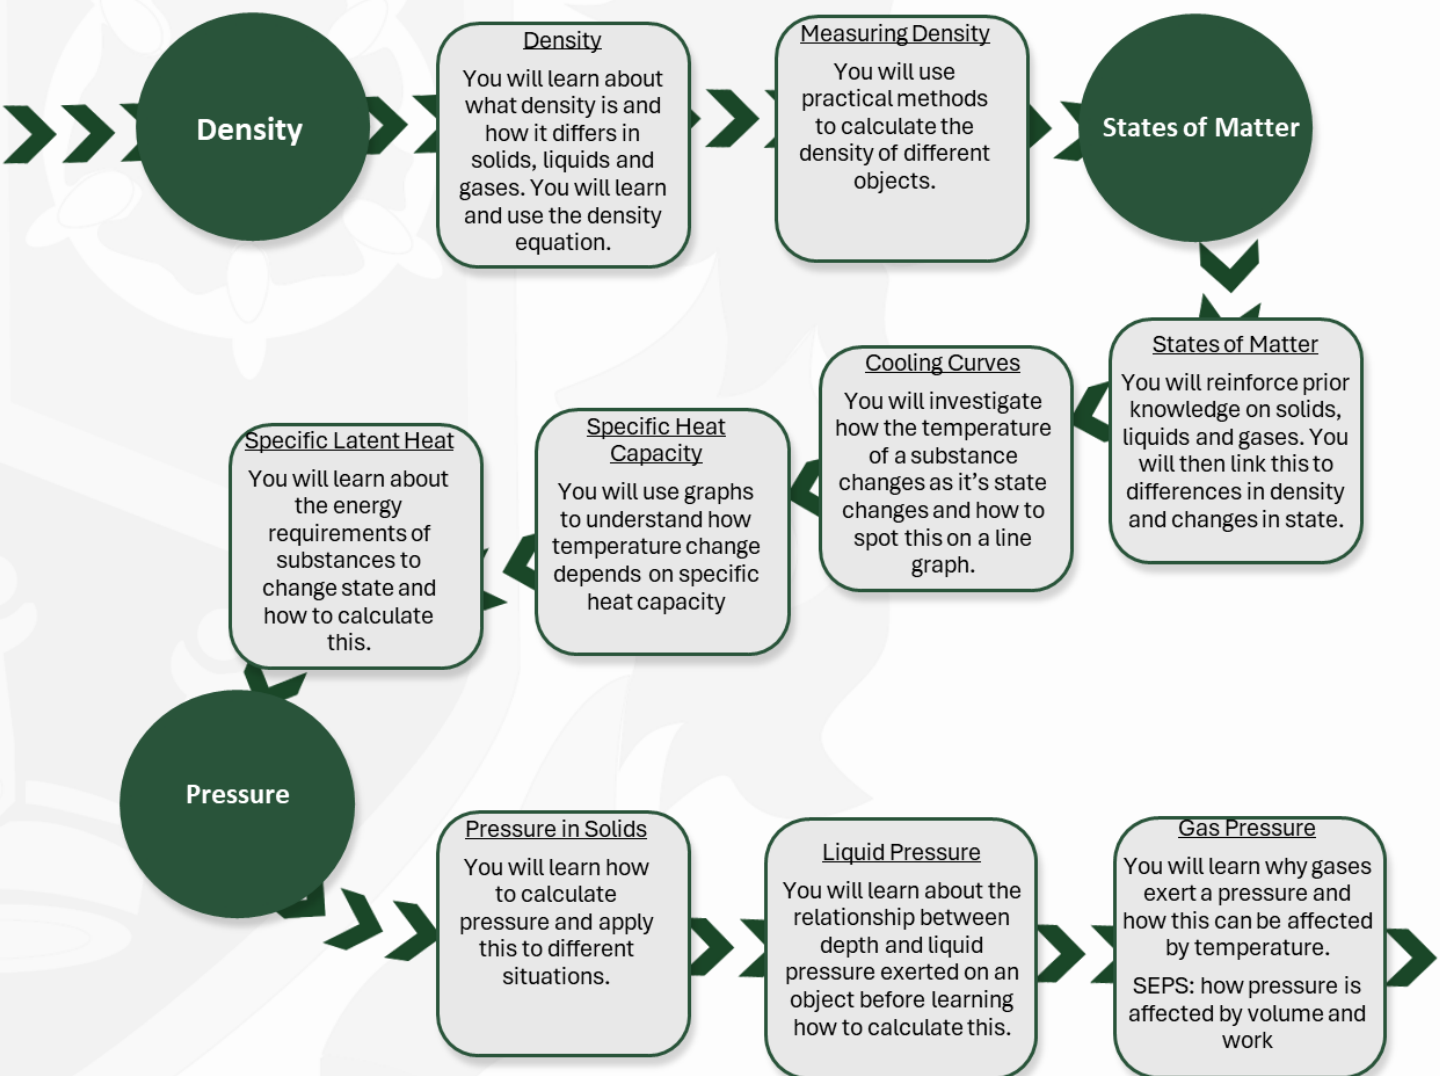

P3 – Particle Model of Matter (Trilogy and Separates)

Year 9 Summer Term

This module continues your learning journey from previous learning in Physics about states of matter and energy.

You will learn about density and why different objects have different densities before practically calculating density.

TUDOR HABITS: You will develop the Tudor Habit of responsibility as we consider the responsibility of humans to conserve and protect the natural world.

VOCABULARY:

Regular / Irregular
Pressure
Latent Heat

density
depth
