## Le Patrimoine (Heritage)

Year 12 Autumn Term 2

The topic of heritage is a new concept not seen at GCSE. You will begin by analysing different types of heritage: material and immaterial heritage in the form of monuments, customs, food and much more. You will have the opportunity to do independent research on particular traditions or heritage of personal interest to you. Moreover, this will provide you with the opportunity to develop your speaking skills when you present your findings to your peers. Interleaved into the heritage topic is regular grammar checkpoints; in particular the use of *si* clauses and the subjunctive mood.

**TUDOR HABITS:** As this topic calls for independent research into a piece of heritage which interests you, there is the opportunity to showcase your ability to self-regulate as you manage your own research and analysis.
