

LEARNING JOURNEY

French

Le septième art (Cinema)

Year 12 Spring Term 1

During Spring 1, you will consider a variety of aspects of French cinema . You will learn how to describe the impact that the history of French cinema has had on cinematography. You will consider the history of the evolution of French cinema whilst watching extracts of iconic French films to appreciate techniques used. You will learn to use infinitive constructions such as 'àfin de', 'pour' as well as perfect infinitives such as 'après avoir' phrases to describe cinematic trends and the impact that French cinema has on society. You will boost your cultural capital by comparing different styles of French film and will have a greater appreciation for French film by the end of the learning journey. In order to do this, you will be able to draw upon prior knowledge from a range of topics including the more recently studied topics of technology and heritage. You will consider the collective culture of national cinema.

TUDOR HABITS: as we watch iconic French film extracts, you will need to show a good level of open mindedness and curiosity to appreciate different cinematographic techniques.

VOCABULARY:

Infinitive constructions, subjunctive mood
La Nouvelle Vague, l'histoire, un cinéaste
