

LEARNING JOURNEY

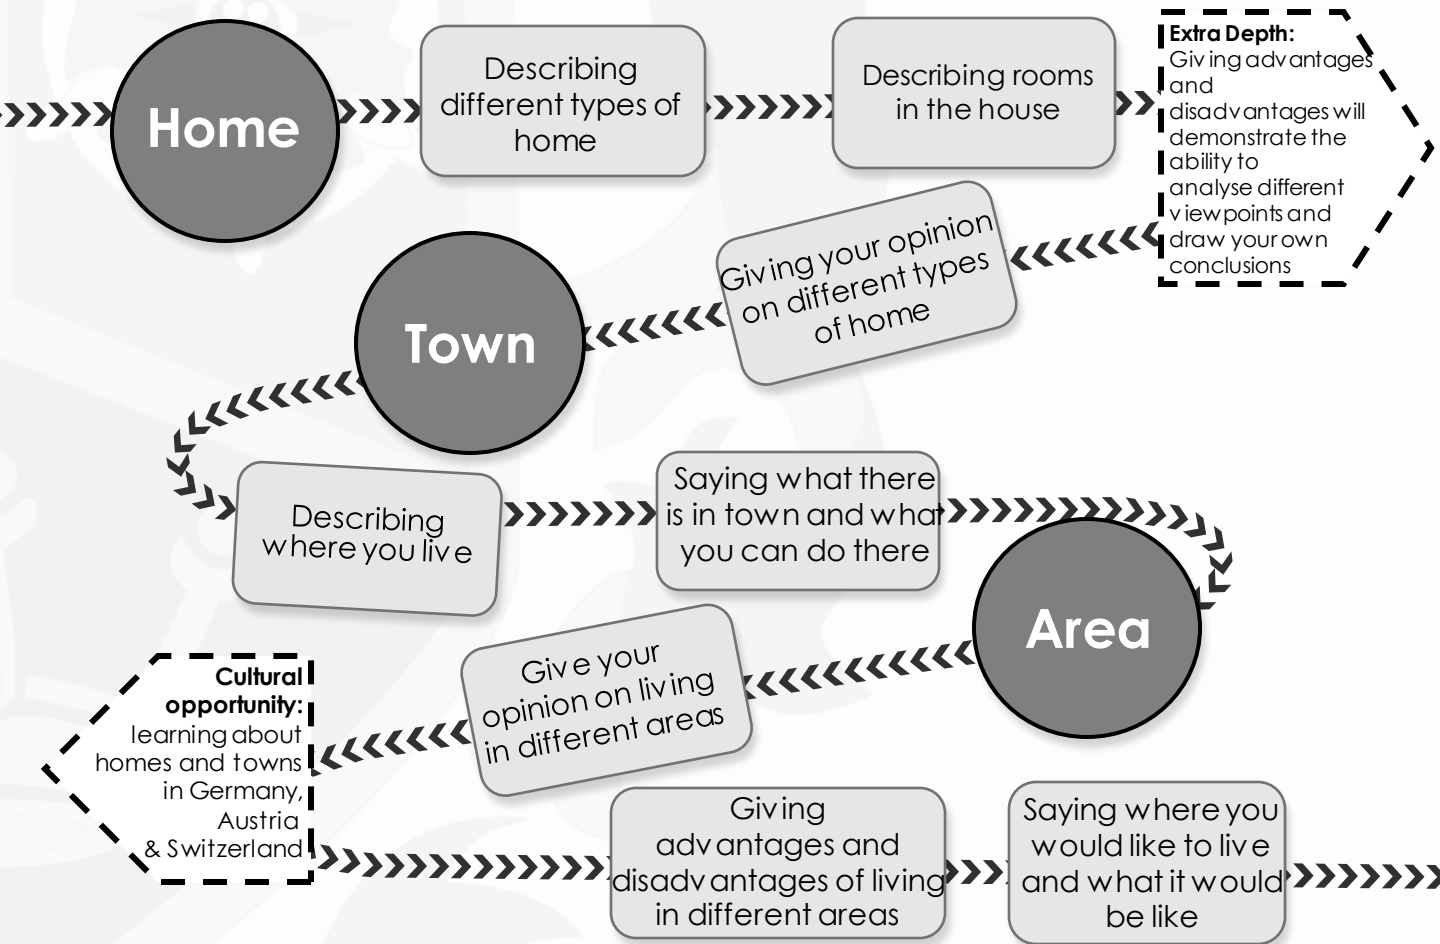

DEUTSCH

Year 10: Zuhause, Stadt und Gegend (Home, Town and local area) Spring Term 2

In Year 8, you learnt how to give a basic description of where you live, describing what there is and what you can do in your town. You also learnt how to use the future tense to say what you will do there. We are now revisiting this topic and developing our use of **descriptive language and opinions** to **describe homes, rooms and our local area**. We will talk about **advantages and disadvantages**, considering **different living situations and how people live in different cultures**. Finally, we will use **different tenses, specifically the conditional tense**, to describe where we would like to live in the future. This is important for us as we **consider life choices and ambitions** for the future.

TUDOR HABITS:

You will be developing your **curiosity** as you learn about homes in other cultures and how other people live. You will continue to build **resilience** as you develop confidence with using the conditional tense.
