

# LEARNING JOURNEY SPANISH

## La Familia (Family)

Year 10 Spring 1

In Spring 1, you will look at the topic of family and relationships. You will describe the **physical features** and the **character** of your family and friends. The topic explores **how to talk about relationships** with your family using **reflexive verbs** and **possessive adjectives**. You will **revisit past, present and future** structures and consolidate, in particular, the future and conditional tenses when describing if you would like to get married and have children or not and why.

### TUDOR HABITS:
