

LEARNING JOURNEY SPANISH

EL Tiempo Libre (Free Time)

Year 10 Summer

In Summer term, you will look at the topic of **Free time**. You will understand how to say **how** you use **social media** and what the **pros** and **cons** of social media are. The topic explores how to arrange to go out, accept and decline invitations to enhance speaking roleplay skills and also builds on grammar knowledge through new structures such as present continuous tense and 'soler' + infinitive. You will also get exposure to the perfect tense which will add complexity to your work.

TUDOR HABITS:

Be confident as you progress through this unit of work. You will be practising speaking skills in particular leading into your first full trial end of year speaking assessment and therefore with answering spontaneously you will need to have grit and resilience despite setbacks

VOCABULARY:

Tier 1 academic vocabulary

para (in order to), pasar (tiempo), soler + infinitive (I usually), ventaja (advantage), desventaja (disadvantage)
