

LEARNING JOURNEY

Biology

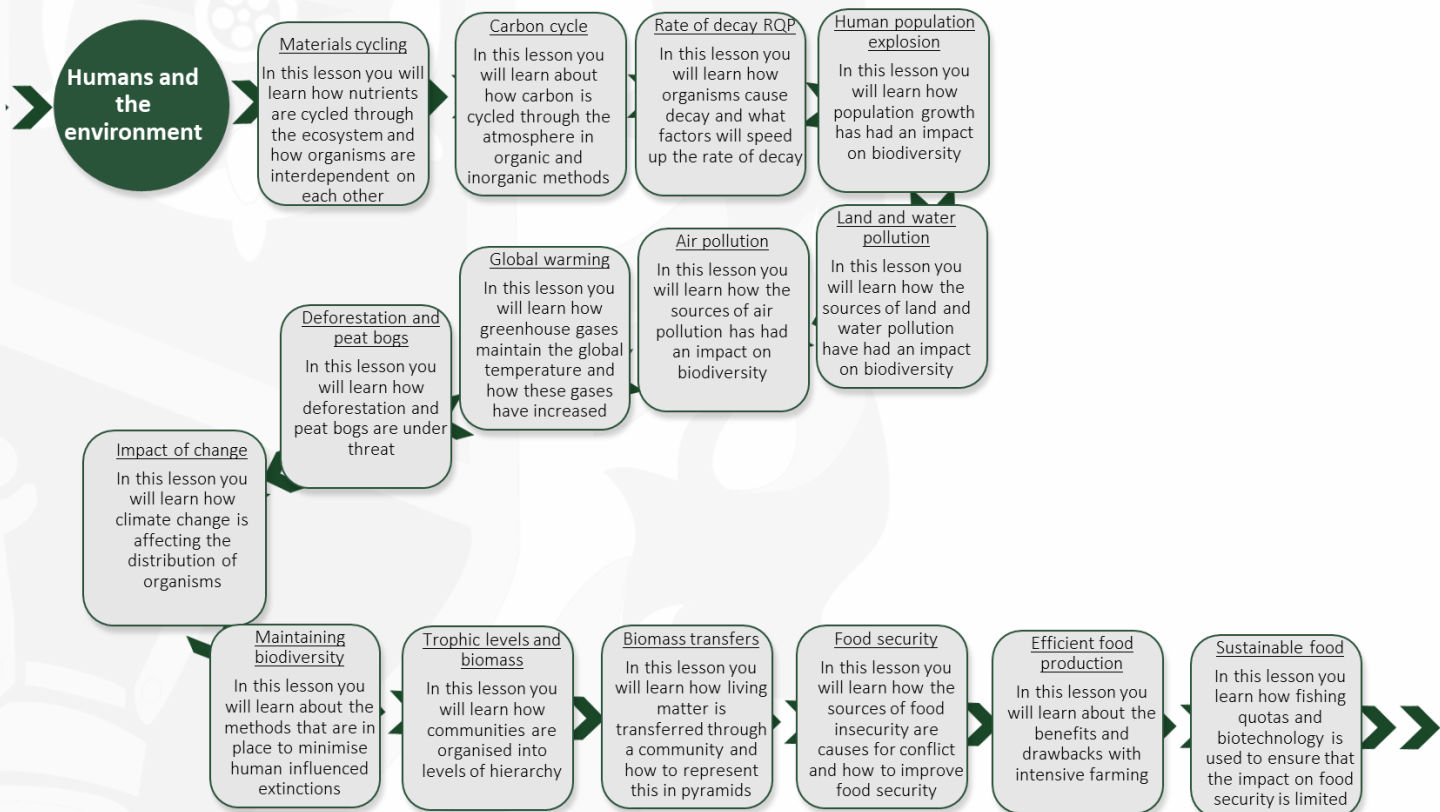

B7 – Ecology 1 - Humans and the environment (SEPS)

Year 10 Summer 1

This module continues your learning journey from previous learning in Key Stage 3 about the environment.

You will develop a much greater understanding of interdependence between consumers and producers and how they photosynthesis and respiration aids the cycling of elements.

You will also study how the impact of exponential human population growth has impacted on the environment and what methods we're using to minimise the damage being done.

TUDOR HABITS: You will develop the Tudor Habit of responsibility as we consider the responsibility of humans to conserve and protect the natural world.

VOCABULARY

Biodiversity	Nutrients	Sustainable
Cycle	Quota	Food
Pollution	Decay	
Biomass	Trophic
