

LEARNING JOURNEY DEUTSCH

Year 7: Meine Hobbys (my hobbies)

Spring term

This term you will learn **more complex grammatical points** that will require attention to detail, especially with **word order**. You will learn a **new range of vocab and verbs**, as well as **frequency expressions**. As we focus on verbs, you will manipulate these to **refer to different people adding different endings**. This is a basic skill that will always be an integral part of producing accurate sentences in German, regardless of the topic or situation. You will also learn **to give opinions and reasons** that require **changing the word order** of sentences, an important grammatical point in the German language. All this will result in **an improvement of the complexity** of your writing and speaking skills.

TUDOR HABITS:

This unit of work has plenty of opportunities for you to **be precise** and **systematic** in your pronunciation and your application of the new grammar and word order rules.

TIER 1 GERMAN VOCABULARY:

Regular verb, Irregular verb, cognate, frequency expressions

TIER 3 GRAMMATICAL TERMINOLOGY:
