

LEARNING JOURNEY

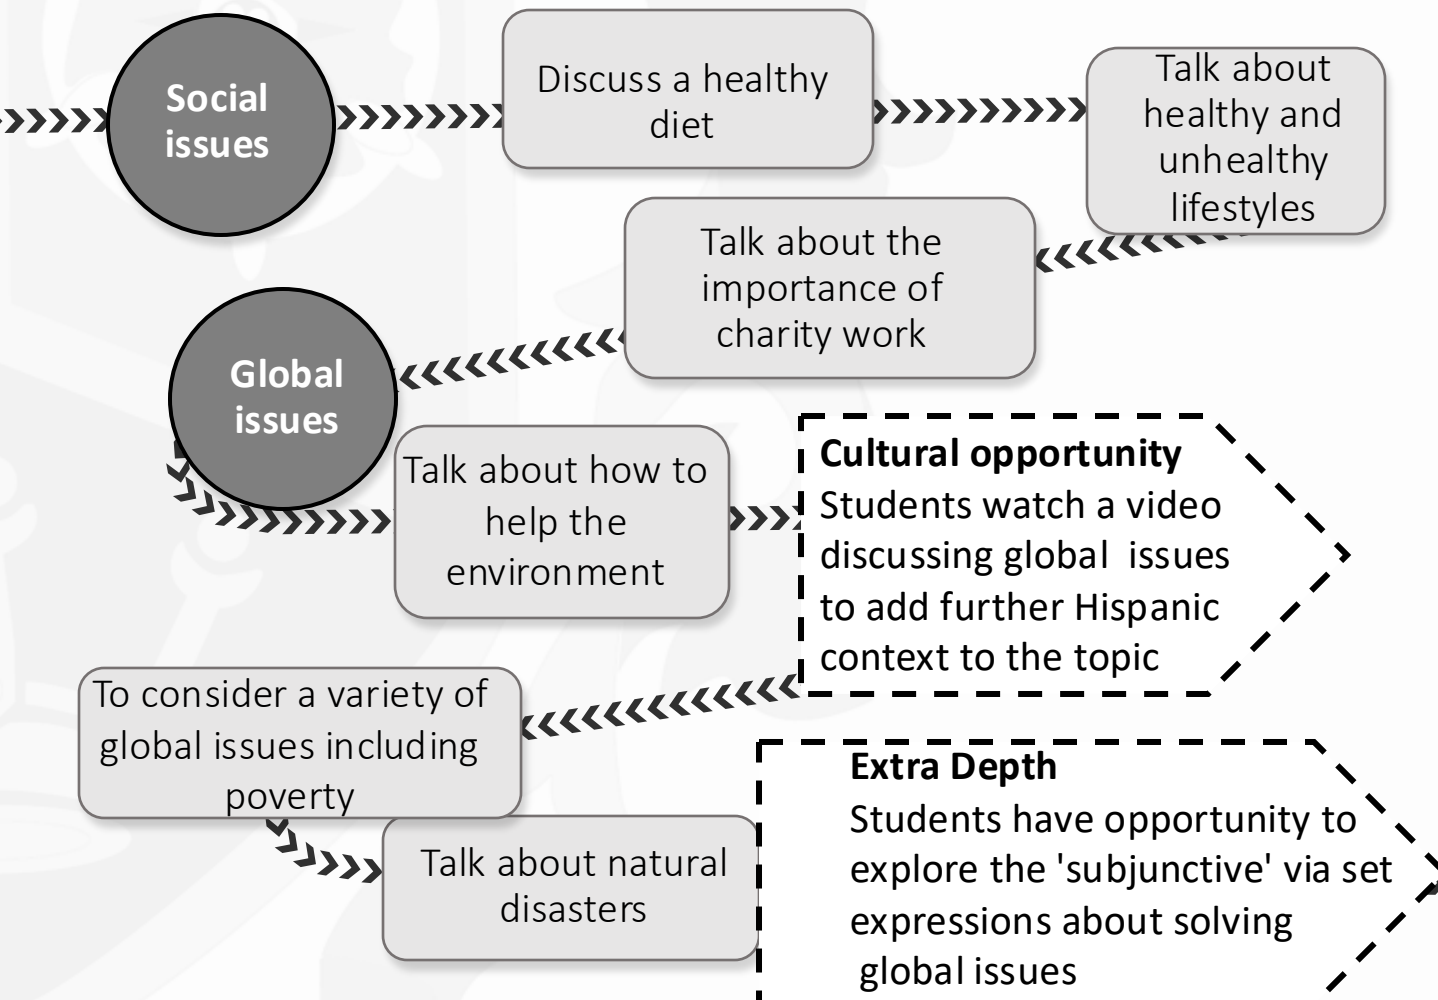

SPANISH

Problemas sociales y globales (social and global issues)

Year 11 Spring term

In the topic of **global** and **social issues**, you will discuss a variety of issues that are part of today's society. You will use prior knowledge, as well as adding new vocabulary, to discuss **what makes a healthy diet** and what you **should do** to **maintain a healthy lifestyle**. You will use the impersonal structures such as "**se debería**" to give advice on how to **take care** of the **environment**, which adds complexity to your work. When discussing global issues, you will learn a wider variety of **vocabulary** that will allow you to be **more specific** when writing and talking about this topic.

TUDOR HABITS: As we discuss problems that are present in society today, you need to show tolerance, empathy and kindness towards those suffering the consequences of the issues discussed.

VOCABULARY:

Tier 2 grammatical terminology - impersonal expressions (e.g it is important to) in Spanish

Tier 1 Spanish vocabulary

Es mejor (it is better), es esencial (it is essential), hay que (you have to), (mal)sano ((un)healthy)
