

# LEARNING JOURNEY DEUTSCH

## Education and work

### Year 10 Spring term

This topic develops and extends the knowledge of the school topic from Year 7. You will recap the basics of **giving opinions on school subjects and teachers**, as well as extend your repertoire of **opinions to include school facilities post 16 choices**. In addition, you will learn more about **life in German schools** and develop and expand your knowledge of the German school system. There are **a large number of differences**, including the timings of the school day, uniform and even the subjects that are studied. Building on this knowledge you will progress to **compare your current school with your primary school** using the imperfect tense and **consider jobs and the world of work** using a variety of future tense structures.

#### Cultural opportunities:

Learning more about the German school system and how it differs to our own.

#### TUDOR HABITS:

**Be precise:** This topic contains lots of language that you have covered in KS3 which you will be expected to use with accuracy. Additionally, there are lots of false friends and some new tricky vocab to master in your speaking and writing.

#### TIER 1 GERMAN VOCABULARY:

das Gymnasium (grammar school)  
die Note (grade)  
eine Lehre (an apprenticeship)  
die Ausbildung (training)  
der Beruf (job)
