

LEARNING JOURNEY SPANISH

EL tiempo Libre (Free Time)

Year 10 Spring 2

In Spring 2, you will look at the topic of **Free time**. You will understand how to say what sports you play or do and how long you have done your hobbies for. In this topic you will explore how to use preterite and imperfect tenses to say what free time activities you did and used to do in the past. Finally, you will practise using three tenses together to describe hobbies. As you progress through the topic, you will build on receptive and productive skills in the lead up to end of year exams.

TUDOR HABITS:
