

French

Please complete one line from the task list below. All students must complete the middle task:

Create a map of the world which identifies the countries that speak French. Annotate your map with at least one fact about each country.	Prepare a 1 minute presentation on an aspect of your summer holidays.	Find a current news article from the French press that interests you. Read it and produce a written summary in English.
Research the present tense in French (regular 'er', 'ir', 're' verbs, irregulars and modals). Complete exercises on www.languagesonline.org.uk and produce a revision guide to show what you have learned	 Go through the grammar booklet provided, work through any tasks that are weaknesses	Produce a timeline which contains all of the French tenses that you know. Your timeline should include examples and rules for the formation of each tense.
Produce a detailed report in French of a famous French-speaking musician/band/politician/artist/scientist/author/director etc.	Watch a French TV programme – see the videos at www.tf1.fr . Make notes on what you understand and new vocabulary you learn to share with the group.	Write 300 words on why you chose to study French A level
